International Holocaust Remembrance Day Program

Thursday, January 25, 2018 at 1 PM

in the Auditorium at the Friedberg JCC · 15 Neil Court · Oceanside

As the survivors of the Shoah leave us, it becomes even more important to remember. The creation of the International Holocaust Remembrance Day seeks to show the broad reach of the Holocaust and the people whose lives were impacted. This program is unlike our Annual Yom Hashoah program and will bring a new aspect of the Holocaust to you.

Guest Speaker: Gloria Glantz

Gloria Glantz was born Giti Przepiorka in Wegrow, Poland in 1939 to a very large family. To save her life, her parents enlisted the help of a simple, righteous Christian family. In her lifetime, Gloria (whose unique life circumstances necessitated her name change five times), has lived in four countries and on two continents. Her journey to America was a very circuitous and unusual one.

Don't miss this incredible story that has been shared around the world!

This program is sponsored by JECOCO, Jewish Community Council of Oceanside, and is hosted by the Adult Services Department of the Friedberg JCC.

All are welcome, admission is free and refreshments will be served.
