Loss of a Parent for Adult Children

8 Wednesdays
March 14 - May 2, 6 - 7 pm

When a parent dies, we often lose a best friend and our biggest fan. We also lose the chance to fix or make right what was difficult about the relationship. In this group, we will take the time to share their stories, come to a better understanding of the grief process, find ways to cope with the many losses that come with this one death and remember and honor them.

Fee: \$120; Members, \$80
